Voted to accept the report of the Committee chosen to make objection to Thomas Miles, Petition, praying to be set off to the town of Westminster as follows (viz)

To the Hon the Senate and the Hon. the House of Representatives of the Commonwealth of Massachusetts.

The town of Fitchburg in legal town meeting assembled beg leave to Remonstrate against the Petition of Thomas Miles to be sett off from the town of Fitchburg and annexed to the town of Westminster. Your Remonstrants consider it unreasonable that the prayer of said Petition should be granted Because the division line between the town of Fitchburg & Westminster, contiguous to which said Miles now lives, is a straight line; this regularity would be turnd into the most misshapen forms by the annexation to Westminster of the lands belonging to the said Miles which extends more the—miles towards the center of the town. Because the town of Fitchburg is at an expence far exceeding the expences of any adjoining Town, for the erection and repair of Bridges, and can inconveniently release from a contribution of this burden any of the lands within the town subject to taxation. And because the greater proximity of the said Miles to the Meeting house in Westminster than to the Meeting houses in Fitchburg (the circumstances on which his petition is principally grounded) and the road from his House to his chosen place of worship, or to the center of the town of Fitchburg, is equally good with the road from his house to Middle of Westminster. As to schools, the situation of the said Miles is now quite as eligable as it would be by his removal.) is wholly undeserving of consideration by the fact, that the said Miles is a member of a Religious Society in the town of Fitchburg by whom a

a Minister is maintained by voluntary subscription A nearer residence to the meeting house in Westminster then to the house of Public worship in Fitchburg, is an argument of no greater weight in favor of said Miles then of several in his neighborhood; and it is well understood that as he succeeds in his petition they are to be governed. If there were no reasons of a local nature to oppose their removal it would seem that the inequality already existing in favor of Westminster in the point of Wealth and Mensuration would be a sufficient abjection. Your Remonstrants lament that the [323] obvious weight of the reason herein assigned against the Petition of the said Miles, had not subdued in his mind the force of his natural attachments to Westminster, the place of His origination, but they have the most entire confidence that with a legislative Body governed by a liberal regard to the welfare of the whole, they will prevail against his Petition

Voted that the Representatives of the town of Fitchburg be instructed to present the Remonstrance to Thomas Miles Petition with such other objections as they may think proper and favorable to the town of Fitchburg

The meeting by adjournment from March 4th 1816, to March 21st and from that time to the first day of April, 1816, at 2 O'clock P. M. was opened, and,

Art. 6. The Committee chosen to settle with the Treasurer made the following report in writing.

"Fitchburg, March 22^d 1816.

The Subscriber, chosen by the Town a Committee to settle with their Treasurer, find his accounts to be as follows, viz.

To cash received by him of his immediate predecessor on the adjustment of his accounts, March 13. 1815,	\$3.56
To cash received at sundry times of Timothy Garfield in completion of his collection for the years, 1813 & 1814,	900.94
To Do. received at sundry times of Reuben Billings in completion of his collection for the year 1814 the sum of	502.15
To Do. received at sundry times of Joseph Carter on account of his collection for the year 1815,	564.55
To Do. received of Samuel Parker on acct of his collection for the year, 1815,	441.00
To Do. received of the Inhabitants of Harvard in discharge of their note of April 25, 1814, for 220.31, interest 23.01	243.32
To Do. received of the Selectmen of Fitchburg rec ^d by them of the Selectmen of Princeton towards the support of Martha Bellows, . . .	18.00
To Do. cash received of Samuel Houghton William Kilborn Samuel Caswell for their conditional exemption from Military duty, . . .	6.00
To Do received of the town of Ashby for the Maintenance of Dorcas Wheeler	24.35
To Do received by him as Interest of money belonging to the town which let out on use55
To Do received by him of the Collectors for sundry delinquences in the satisfaction of Highway taxes	13.84
	<hr/> \$2718.26

The Treasurer	Cr	
By payments made by him on orders of the Se-		
lectmen which we have examined and de-		
stroyed		2800.42
By allowance to him as Treasurer		12.00
		<u>\$2812.42</u>

From this statement it results that the town is indebted to Mr J. Marshall Jr \$94.16 and it appears that there is due from Samuel Parker the Collector chosen by the town to complete the collection of taxes committed to Joseph Carter to collect the sum of 490.88, and we have compared the amount of Taxes paid in by Mr. Carter, with the amount of the

[378] 1816. Adj^t of March Meeting

the new warrant issued to Mr. Parker, and find Mr. Carter chargable with a deficiency of \$217.28, which we suppose is secured to the Town by his Bondsmen.

Of outstanding and unsatisfied orders drawn by the Selectmen on the Treasurer the amount is \$333.91, which with the balance due to Mr. Marshall leaves of the afsefised taxes yet uncollected the sum of \$280.09, to answer the existing and growing demands against the Town.

The subscribers, chosen by the Town of Fitchburg, a committee to examine the accounts of their Treasurer, submit the following statement.

The Treasurer	Dr.	
To the ball ^e in his hands on the adjustment of his accounts Ap ^l 3, 1819		\$20.80

 Taxes uncollected by Sam^l Parker, an ab-
 sconding Collector, and Since, duly commit-
 ted for collection to said Carlton 1194.20

[424] 1820 March Adj^t
 Treasurers account brought forward \$2105.90
 To Cash received of John Phillips for conditional
 exemption from Military duty 2.—
 To bal^s due the Treasurer 33.08
\$2140.98

The Treasurer Cr.
 By Orders drawn on him by the Selectmen which
 he has paid, & which we have compared
 with the Selectmens Records, checked them
 thereon, & destroyed them 2128.98
 By his Services as Treasurer 12.—
\$2140.98

Of the Taxes committed to the collection of Wm Carlton, 69.43 of the State Tax remains unpaid, of the year 1818—and of the Town Taxes committed to him to collect for the year 1819—21.98 remain unpaid.

Samuel Parker at the time of his absconding, had collected, it appears of the Tax of 1819, 739.80 more than he paid into the Treasury.

The dificiencies of Parker with the Sums now in the hands of the collector, would overpay the debts against the Town on the first of this month, about the Sum of 500 dollars—but the sum in the hand of the collector is insufficient to pay those debts by about 175 dollars.
